I am full stack programmer who believes in creating new stuff with innovation and creativity that could solve the problems that we face on daily basis. I always try to do the work with as perfection as possible and it doesn't matter if I have to do all from scratch.

Experience

Aug 2018 - Oct 2018

Lead Front-end Developer
Infoxpression
I desgined the major UI/UX of the website
I wrote almost all the CSS stylings and jQuery animations from scratch
I designed many icons required for the website
Maintained balance between Front-end and Back-end
Worked in a multidisciplinary team

April 2019

Developer and Designer
Web Portfolio
Built entire site from Ground Up without using any premade template.
Wrote all the CSS and JS animations from scratch
Studied design of other great portfolios for inspiration
Animations made were lucrative and non-intrusive

May 2019

Technical Writer
Medium
Try to cover and explain simple topics which are important for beginners
Try to make beginners familiar with coming tech and it's benifits
